

Trucks and  
Commercial Vehicles

Dear Customer,

We are glad to inform you about the "IVECO Maintenance Campaign" we have set in order to increase the performance of your vehicle and to lead your job in the best way.

We know how the maintenance is relevant and that's why today we are offering you a unique and special promotion offering you a discount (1) on your next scheduled maintenance through favourable prices on original spare parts and **labour costs**.

The scheduled maintenance is extremely important to keep your vehicle in good shape and guarantee always high level of performances. Check your handbook to know when Iveco suggest your next scheduled maintenance service.

Till the **end of May 2010** will be active the promotion "IVECO Maintenance Campaign"

We kindly invite you to fill the below coupon and visit our workshop discovering the advantages of this special promotion:
